		_____ COURT
		BY: _____

HONORABLE WALLACE R. HOGGATT **DIVISION Three**		By: Stephanie L. Williams Judicial Administrative Assistant

Post-conviction relief proceedings are in progress in these cases.

In CR2008-159, the court ordered the preparation of transcripts of the September 29, 2008, change of plea hearing and the October 24, 2008, sentencing. The sentencing transcript has been filed, but not the change of plea transcript. The court ordered that transcripts be filed by July 27, 2018.

In CR2018-004, the court ordered the preparation of transcripts of the January 03, 2018, change of plea hearing and the April 04, 2018, sentencing. Both transcripts have been filed.

The September 29, 2008, proceeding in CR2008-159 was reported by Catherine Berger, who is now outside of the State of Arizona. The court believes that Court Administration has an address for her, but that Ms. Berger may not have received any notice from the Clerk of Superior Court that it was necessary to prepare the transcript.

It is hereby ORDERED:

A.   The transcript referred to herein as not having yet been filed shall be filed on or before Friday, September 14, 2018. Court Administration shall send Ms. Berger a copy of this order.

B.   Defendant shall file any post-conviction relief petitions in these cases not later than 60 days following the filing of the last transcript.

C.   Any and all previously set filing days are VACATED, to the extent consistent herewith.

DATED this _____ 03ʳᵈ _____ day of August, 2018.

_____
HONORABLE WALLACE R. HOGGATT
JUDGE OF THE SUPERIOR COURT
